Entrepreneurial Mindset

- A Challenge is an Opportunity- Positive Mindset
- If I try hard enough, I can do it
- I can add value and positively impact the world
- Failure is an opportunity to learn
- Other people will help me
- Other things are important- but less important

Dear Mushtak,

How are you doing? I bet you're awesome!
it's finally happening!

People are calling me to book my services on a consistent basis.

If the trend goes on I could realistically leave my primary courier job by the beginning of 2016.

I'm living a dream mainly thanks to your classes!

Thank you from the bottom of my soul,
to meet you soon!
